Date of Birth: 03/04/2001

Cellphone: 2216319417

Postal Code: 1925

City: Ensenada, Buenos Aires, Argentina

Availability: Full Time

Professional Profile

Motivated Data Scientist with a strong foundation in computer science and practical experience in programming, operating systems, and network administration. Skilled in data manipulation, visualization, and machine learning using Pandas, Matplotlib, and Scikit-learn. Proficient in SQL and PostgreSQL. Passionate about continuous learning and applying my knowledge to solve real-world problems through innovative projects. Equipped with strong problem-solving abilities and a commitment to staying updated with the latest technological advancements.

Experience

Portfolio

Developed and maintained a repository named "Data Projects" on GitHub, showcasing various data science projects.

Network Technician Assistant

Configured routers and managed service orders, ensuring optimal network performance and customer satisfaction.

Programming and Math Tutor

Provided secondary level tutoring in programming and mathematics, helping students improve their understanding and academic performance.

Family Pizzeria

Managed customer service, staff coordination, stock counting, and cooking, ensuring smooth operations and high-quality service.

Ligantex Paint Stores (Family Franchise)

Worked as a cashier and provided customer service, contributing to daily business operations and customer satisfaction.

Skills

Workflow

NeoVim, Tmux, Sway/i3 Window Manager, Git, Github-Cli, gdb, R

Data Science

Data Analysis, Statistics, Tableau, Pandas, Matplotlib, Scikit-learn, Tensorflow, Machine Learning, R, PostgreSQL

Systems Administration

GNU/Linux, Microsoft Azure, Nginx, Windows, Docker, Virtualization, Networking.

Software Development

Github, Low-level Programming, Algorithms and Data Structures, Web Design.

Multimedia

Gimp, Canva

General

Mathematics, Problem Solving, PC Repair, Working under pressure, Customer Service,

Languages

Programming and Scripting

Rust,Go,C, C++, Java, Python, Bash, R, JavaScript.

DataBases

SQL.

Markup

L^AT_EX, HTML, Markdown, R-Markdown.

Spoken

English(Advanced), Spanish(Native)

Education

University

Computer Engineering — UNLP(2023-2027) Data Science in Organizations — UNLP(2024 2027-)

High School

Bachelor in Social and Human Sciences — EESN8 Ensenada

Certification

Data Scientist Associate Certificate — Data Camp
